

## Individual Q3 Comments

3. If there are things in Charlbury you would like to see improved please list up to 3.

1	
2	
3	

The comments are categorised as best we can so that a general picture can be assessed. The comments are sorted in the sequence of the categorisation to group comments relating to a similar topic. In general the following issues were highlighted:

Issue
Parking: Not enough on street and off street For residents and shoppers Control commuter parking Control illegal/dangerous parking
More shops: Wider range inc. baker, butcher, hardware, grocers, greengrocers, newsagent, bank and therefore more vibrant town centre
Traffic-calming and reduce traffic speeds inc. 20 mph limit
Improve condition of roads/road surfaces
More affordable housing for local people esp. young people and young families
Improve condition/width of pavements
Maintain and improve bus services inc. evening and Sunday services
More (affordable) facilities for teenagers and young adults
Improve town cleanliness and deal with litter
Café as community hub/meeting place Cheaper family-friendly pub Places for families to eat
Maintain and improve train services
Deal with traffic speed and ability to cross on the Slade by school
Replace Sports and Social Club
Improve safety of Enstone Road crossroads

Increased places at primary school
More cycle paths
Control infill development and protect town character through planning policies
Better traffic flow through town
Better access to Cornbury
Replacement for Dean Pit
Town centre made more suitable for pedestrians/communal events
More businesses in town centre
Adult education classes
Improvements to service by Medical Centre
Better access to cemetery for wheelchairs/elderly
More employment in town
Crawborough surface to be improved
Greater diversity
<p>Other single comments:</p> <ul style="list-style-type: none"> <li>• More spaces for general public to meet</li> <li>• Old town centre bias makes other areas feel left out</li> <li>• Entrance to Nine Acres at crossroads more family-friendly</li> <li>• Alley between Wychwood Paddocks and Crowborough surfaced</li> <li>• Alley between Nine Acres Lane and Co-op to be kept clear and lit (and accessible for limited mobility)</li> <li>• Retirement home so that residents do not have to move away</li> <li>• More smaller houses so elderly can downsize</li> <li>• Wheelchair access to shops and public buildings</li> <li>• More play areas for young children</li> <li>• More allotments</li> </ul>

This table is in the sequence of the categories that were raised most frequently and within those the topics that had most entries. The topics have some overlaps e.g Traffic relates to things such as less heavy vehicles wheres speed is specifically when that was mentioned. Similarly some comments mentioned public transport and these have been predominantly put against buses with a few going to trains. The full list of comments are attached in the sequence of category and Topic.
